Superintendent's Letter

Dear Joseph City Wildcats,

This year has been like no other year in our history. Our students spent the better part of the second semester transitioning to online and remote learning because of an unprecedented pandemic that had worldwide consequences. Some things have changed and will probably never be the same again. However, it doesn't mean that this year went by without some fantastic accomplishments and wonderful memories that will not soon be forgotten! From this school year's athletic seasons to our academic programs, there are many highlights that we can reflect on with fondness. Students were involved in many exciting and innovative projects that they will recall when looking through the yearbook.

When difficult situations arise, the collective character of a community is easily seen. Joseph City Schools is no exception. During the school shut down, our teachers were quick to reach out and communicate with students and find effective ways to offer instructional support in various content areas using technology. Additionally, the Wildcat support staff was great in stepping forward to assist in delivering work packets and offer assistance wherever it was needed. One only needed to look at our own Wildcat Community to have seen the intellectual flexibility, capacity to adapt, work ethic, and service-oriented traits that were on display in our community during the pandemic.

Joseph City Schools were put to the test in adapting to the changes that we were confronted with. We can all take pride in knowing that we can and will continue to persevere through challenging times by honoring the legacy that has been left by the pioneers of this community and our schools. With a foundation of unflinching courage and the indomitable spirit of those who have come before us, we are bound to find a way to thrive. The Wildcat Community has been exemplary with implementing viable solutions and remaining positive in taking on the unforeseen challenges that we have been faced with. It is during difficult times such as these when it is easy to feel an overwhelming sense of gratitude and pride to be part of the school-community known as the Joseph City Wildcats!

Sincerely,

Bryan Fields
Superintendent
Joseph City Unified School District

DEDICATION

On behalf of all the students that you have worked with over many years at Joseph City JR/SR High School, we would like to thank you with the dedication of this yearbook. For 20 years you have made a significant impact on our students and in our school. Your professionalism is something that was truly appreciated by your colleagues, students, and the parents that you worked with. The kindness and care that you showed students was inspiring. Your dedication and reliability in the different roles that you fulfilled did not go unnoticed. We would like you to know that you will always be remembered by those of us who worked with you. The contributions that you have made to our students and school are the legacy that you leave behind. Thank you for all that you have done!

Sincerely,
Students and Faculty
at Joseph City Schools

Ms. Monzingo

Mrs. Elmer

It is a privilege to be part of the yearbook dedication to Mrs. Clare Elmer. I can sum up Mrs. Elmer's impact on the students here at Joseph City Schools by sharing one experience. At the end of the school year a couple years ago, the Jr High student council took the incoming 6th grade class on a tour of the school. At the end of the tour we asked the wide-eyed 6th grade students if they had any questions to ask the 4 student council members. One of the questions that was asked was, "Who is your favorite teacher?" Three of the 4 students said that it was Mrs. Elmer. The students described her as being a "tough" teacher and told the 6th graders that they better stay on top of their school work in her class. They also promised them that if they did, her's would be one of their favorite classes as well. Teaching is most certainly not a popularity contest, but I have always been impressed with her ability to demand a lot from her students while still creating a class that the students want to be a part of. Thank you Mrs. Elmer for dedicating the past 14 years to the students at Joseph City Schools! You will definitely be missed!

HS STUDENT COUNCIL

High School Student Council has worked hard this year to make it a memorable one! On the first day of school they wore fun hats and welcomed the student body back to school, making everyone happy to be there and excited to socialize with their friends again. The first pep assembly was an exciting one with lots of school spirit shown. We did our famous Tug-O-War with everyone getting involved with the competition and fun. Seniors took the win! We had many spirited activities throughout the year, from teaming up with the Jr. High Student Council for a Fall waffle/pancake breakfast to a Winter hot chocolate social. We hosted a sock-hop dance that was a lot of fun despite the hot temperature. Homecoming "Space" theme was very memorable with a night light parade - all the floats lit up Main Street -- very impressive! Spirit week was great fun as we got to throw whip cream pies at Mr. Miller (Pie-A-La- Principal) and dress up all week according to the theme. Sadies theme was "Game On" with Mario Karts, ping-pong, and air hockey games to enjoy along with all the dancing. Student Body President Taylor Fields said, "Overall we had a really good student council this year, and I am so grateful for everything they did for the students. I think our school spirit just keeps going up! Next year I expect it to just get better!" Go Wildcat Pride - Thanks for all your hard work and a great year - Mrs. Neal

This year's student council was an awesome group of kids! The student council was headed by Kaylee James this year as president and did a super job. There were several hiccups this year; however, that did not deter this group of students! They persevered and came up with alternatives that would work. They put on some great dances and even began to DJ their own music. They all participated in helping with the waffle breakfast, hot chocolate morning, and creating school spirit. The way the student council takes on leadership roles is always very impressive!

Thanks for a great year and fun memories! Mrs. Elmer

WHAT AN AMAZING GROUP OF YEARBOOK STUDENTS! THEY WORKED HARD TO CAPTURE ALL THE MEMORIES OF THIS YEAR, SO WE COULD DECORATE THE HALLS WITH PAW PRINTS AND MAKE THIS 2020 YEARBOOK. THEY WERE UNITED IN THEIR EFFORTS TO MAKE ALL OF THIS HAPPEN. IT WAS VERY ENJOYABLE TO WORK WITH EACH STUDENT BECAUSE THEY WERE DEDICATED TO MAKING THEIR LAYOUTS THE BEST AND SHOWING OFF OUR WILDCAT PRIDE. WE HAVE A GREAT SCHOOL BECAUSE OF STUDENTS LIKE THIS! EACH STUDENT BROUGHT DIFFERENT TALENTS AND ABILITIES, BUT THEY WORKED AS A TEAM TO MAKE OUR MEMORIES INTO THIS BOOK! IT WAS MY PRIVILEGE TO WORK WITH THESE STUDENTS THIS YEAR! ALWAYS REMEMBER -- COLLECT MEMORIES INSTEAD OF THINGS (AND MAKE SURE YOU TAKE PICTURES)! BEST OF LUCK TO EACH ONE OF YOU! - SINCERELY - MRS. RANDALL :)

The National Honor Society (NHS) elevates a student's commitment to the values of scholarship, service, leadership, and character. These four pillars have been associated with membership in the organization since its inception in 1921. Joseph City's organization was created in 1972. Chapter membership not only recognizes students for their accomplishments, but challenges them to develop further through active involvement in school activities and community service.

2020
YOU GET TO
DECIDE THE
LEGACY
THAT YOU
LEAVE.

THE 2019 FOOTBALL SEASON WAS A HARD YEAR. WE STARTED OUT THE YEAR WITH HIGH HOPES AND EXPECTATIONS WITH 23 PLAYERS COMING OUT FOR THE TEAM. THIS TEAM HAD A LOT OF ADVERSITY THIS YEAR. DUE TO INJURY AND OTHER CIRCUMSTANCES, WE FINISHED THE YEAR WITH ONLY 14 PLAYERS DRESSING OUT FOR THE 1ST ROUND PLAYOFF GAME WITH MOGOLLON. THE 2019 WILDCAT FOOTBALL DID HAVE SUCCESS WITH A 4-4 REGULAR SEASON RECORD. THE TEAM HAD WINS OVER VALLEY UNION, MAYER, EL CAPITAN, AND NFL YET. THE SIGNATURE WIN WAS PROBABLY THE WIN OVER MAYER IN MAYER. THE TEAM WENT TO HALF DOWN 0-6 BUT WITH COACH SHAWN LAYDEN PREDICTING WE WOULD SCORE 3 TD'S IN THE SECOND HALF THE TEAM DID EXACTLY THAT WITH 3 TWO POINT CONVERSIONS FOR GOOD MEASURES AND HELD MAYER TO 0 TO COME OUT ON TOP 24-6. THE TEAM ALSO HAD A GREAT WIN OVER NFL YET FOR HOMECOMING IN A GAME THAT WAS HIGH SCORING AND BACK AND FORTH. THE FINAL SCORE WAS 54-62. WITH THE TEAM'S SENIORS DEMONSTRATING GREAT LEADERSHIP, THE YOUNG PLAYERS WE HAD REALLY STEPPED UP AND FILLED THE VOID CREATED BY INJURY. IT WAS EXCITING TO SEE THE YOUNGER PLAYERS DEVELOP AND CONTRIBUTE TO THE TEAM. THE TEAM REALLY DEMONSTRATED WHAT THE MEANING OF TEAM WORK IS. AS A COACH, I COULDN'T BE PROUDER OF THIS TEAM. AS USUAL, MANY KIDS PLAYED MULTIPLE POSITIONS ON THIS TEAM AND SEVERAL KIDS PLAYED BOTH WAYS AND HARDLY EVER CAME OFF THE FIELD. THERE WERE FRESHMAN PLAYERS THRUST INTO ACTION THAT PERFORMED WELL. I REALLY APPRECIATE THE HARD WORK THAT EACH PLAYER ON THIS TEAM PUT IN EVERY DAY IN PRACTICE AS WELL AS DURING THE GAMES. -COACH LARSEN

This volleyball season was one of changes and growth. We had so many talented athletes join our program and we had a successful year. It was filled with ups and downs and learning experiences for all of us, but it was also filled with fun and laughter. From team bonding activities, bus rides, card games, tournaments, pasta salad and ice cream dates, we had a great time together. Thanks for choosing to join us this year. We thoroughly enjoyed every single moment of coaching each of you and getting to know you. Get a V!

Defend to the End

The boy's basketball team had another incredible year! The team finished up the season with a record of 21 - 9 and another region championship. The boys worked hard throughout the year and set numerous JCHS basketball records. This is due to a lot of hard work and dedication. The seniors will graduate with 3 regions championships and over 80 wins in their high school career. The JV team also had great success which leads to great optimism for the future!

Another year of high school girls basketball season is in the books. Each new season presents us with the opportunity to learn and grow and that is exactly what our girls did this year. We are very proud of the progress that we made throughout the season. We were led by a great group of seniors who we will miss and we wish them luck in their future endeavors. We cannot wait for next season to continue building on the progress from this season. Remember that the only limit to your potential are the self-imposed limits. - Coaches Dan Bushman, Dan Hutchens, and Mary Spurlock

HIGH SCHOOL WRESTLING

JC Tournament Dedicated to:
Coach Aaron Westover
Alumni of Class 2001

The 2019 - 20 Wrestling season was a transitional year. We graduated 3 seniors, two of them place winners in 2019. There was also a transition in the coaching staff. Coach Fischer took over as head coach replacing Lance Baldwin, who retired. Coach Ben Spurlock and Coach Toby Brooks, both JC Alumni, joined the coaching staff. Also Coach Trina Hansen officially joined the staff as well.

Joseph City Wrestling Team certainly did not start over from scratch. We returned three state qualifiers. Our team was lead by team captains, Terrell Kinlicheenie, Reese Ashcroft, and Ethan Hansen. Several new wrestlers were recruited and all who finished last season were retained.

Some of the best results of the season have to be the improvement and development of our team members, who are all eligible to return next season, except for our graduating senior. The crowning achievement of the season has to be Terrell Kinlicheenie being crowned as the State Champion at the 106 pound weight class. Terrell won the state tournament in spectacular fashion! The future of JC Wrestling is very bright!

- Thanks for all the hard work and dedication - Coach Fischer

Eventually you realize that your teammates are more than just people you share a jersey with, practice with, and play with. They become so much more; they become family. This season you Ladycats became a family. We had a bond that no one could break. Our team this year was full of individuals that love the game and had a desire to play to their best abilities to win. This season we ended over with four wins and one loss. We had some outstanding games that led us to hug wins! We were able to pull off a win against Round Valley for our first game of the season, two wins against Sedona in a double header, and a win against St. Johns. We lost to Alchesay in a neck to neck game where we had the lead most of the game. My heart hurts to know that I couldn't finish my senior season with you amazing girls! I want all of you to know that I love you so much! I am grateful for the time that I was able to spend with each one of you on and off the field. You girls will always have a special place in my heart! This was definitely an amazing season filled with so many memories that I will always cherish! I love you girls!

HIGH SCHOOL BASEBALL

The Wildcat's season started off at the Patriot Kick-Off Classic in Queen Creek, AZ on the campus of American Leadership Academy Ironwood. The Wildcats played Window Rock, a 3A school, in the opening game and lost. The next day of the tournament, the Wildcats played North Pointe Prep, a 2A school, and Coronado, a 3A school and had a victory against North Pointe Prep and a tie with Coronado. The season was definitely off to a great start. We played three more games and were gearing up for the annual JC Baseball tournament when it starting raining Tuesday night and all day Wednesday March 11th. Unfortunately, the tournament had to be cancelled due to unplayable field conditions! We practiced on Friday, March 13th and had one of the best practices of the year. The Wildcats were looking forward to beginning region play on Tuesday, March 17th against Mayer, but Governor Ducey cancelled school statewide due to a worldwide coronavirus pandemic, which stopped all spring sports until April 12th. Soon after that announcement, conditions in America worsened and Governor Ducey and State Superintendent Kathy Hoffman closed schools for the remainder of the 2020 school year. ALL SPRING SPORTS WERE CANCELLED!

The Joseph City baseball team had three seniors that did not get to finish their high school sports experience; however, the team will return next season 2021 with nearly all experienced players.

Thanks to all the team players and parents for your dedication even though the season ended abruptly and we didn't get to finish what we started!

WILDCATS TRACK & FIELD

What a year 2020 turned out for track! As a team, we were only able to participate in one meet before school closure and Covid-19 changed the course of my track athletes lives, well at least in a temporary way. I had other athletes on our team, but I would like to focus on my seniors as their season was cut entirely too short and they were robbed of the opportunity to participate in a great many "senior lasts"! I have coached most of these athletes since they were Freshmen, and even on Monster Mondays, I enjoyed their spirit and their "can-do" attitudes. Seth and Jacob were part of our consistent top placing 4 x 800 team for the past 3 years. Callie and Taylor have worked hard as discus and shot put throwers and had high hopes of participating at state! Annalise, Sari, and Kimberlin were a part of our girl's 4 x 100 team and were showing vast improvement this year with real potential to be a part of state finals. Ethan is new to our team this year and I wish I would have had the opportunity to coach him earlier. He has brought a spirit of fun and can-do attitude that every team needs! Seth particularly was showing great promise for the season, placing third in the largest meet of the season, aside from state. In a competition with 52 teams, he placed third in the open 800 meter run. I don't know what the future holds for these fine young men and women, but I know they will meet those challenges with the spirit of determination the world needs for the future! Thank you for allowing me the honor of coaching each of you these past four years.

Note to my Freshmen, Sophomores, and Juniors -- let's come back next season with a stronger determination to do better, be better, work harder, and to always move forward and have fun! - Sincerely, Coach Rush

SEAMS & DREAMS

Girls, what a season we had!!! It has been so much fun watching all of you play and grow on the field. The drive and athleticism you showed in every game was inspiring to watch and learn from. If you continue to work hard and strive to become better daily, championship games will be in your future - no doubt! Keep it up! This group is not one to be reckoned with! BALLERS ARE WINNERS!!! -- Coach Randles

The Junior High Football Team had an amazing season this year. The team had four wins and only one loss. One of those wins coming in a 38 - 6 victory over the Mogollon Mustangs. The coaching staff was very pleased with the effort and progress the team made individually and as a unit. The 8th graders that will advance to the high school program will be missed; however, we will all enjoy watching the contribution they will make to the varsity squad. We have a good nucleus returning next season to carry on the building of the program. Thanks for a great season! - Coach Fischer

We had a good season this year. We worked on fundamentals throughout the season and I think we improved week to week and game to game. Competing against schools much larger than ours was tough, but I feel we stood up to the competition fighting through every minute of every quarter. We managed a victory this year during the regular season against Vernon. We also played competitive games with Blue Ridge and St. Johns.

The coaching staff is proud of the effort the teams put forth this season.

8th grade volleyball had a terrific season! I cannot say enough good things about them. We only lost one game in the regular season. We took 2nd place overall in the White Mountain League tournament. I was so proud of our girls in the championship game against a very talented Snowflake team. We played at a very high level. The girls fought so hard, winning the first set. We lost the next two sets by just a couple of points each. This is a big accomplishment coming from the smallest school in the league. This team was loaded with talent and determination. I look forward to watching them play in high school.. These girls have big things ahead of them in high school sports.

THIS JUNIOR HIGH WRESTLING SEASON WAS ONE OF TRANSITION. WE HAD A COMPLETELY NEW COACHING STAFF AND SEVERAL NEW WRESTLERS. THE TEAM DID A GREAT JOB OF ACCLIMATING TO THE CHANGES. OUR WRESTLERS MADE GOOD PROGRESS IN LEARNING A DIFFERENT SYSTEM AND STYLE OF WRESTLING WHILE KEEPING THE LESSONS THEY LEARNED FROM PREVIOUS STAFF. THE TEAM WRESTLED HARD AND EACH WRESTLER EXPERIENCED SUCCESS AND PROGRESS. THE SEASON CULMINATED WITH THE WHITE MOUNTAIN LEAGUE CHAMPIONSHIP, WHERE BEN BEATTY PLACED 4TH, AND TROY KINLICHEENIE FINISHED WITH AN UNDEFEATED SEASON BY CLAIMING THE CHAMPIONSHIP AT 118 POUNDS.

Tonight you will see some magic. In fact, going to the theatre should be a magical experience. Matilda is similar to a fairytale: there's magic, a villain, and a reason to stand up for what's right, even when you feel like you can't. This is a fun musical, just slightly creepy, and hilarious. Get swept away in the magic, and you will have a great time!
